

Dear Green for Cause,

Thank you and Green for a Cause for your generous gift of \$500 to the Chicago *St. Jude Walk/Run to End Childhood Cancer*.

Your donation means so much to the families whose children fight a daily battle to escape the grasp of catastrophic diseases such as cancer. Your generosity makes it possible for St. Jude Children's Research Hospital® to recruit the best talent for patient care, clinical research and scientific discovery, and provide them with the outstanding resources needed to do their best work.

St. Jude is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. It is the only National Cancer Institute-designated Comprehensive Cancer Center devoted solely to children. Treatments invented at St. Jude have helped push the overall childhood cancer survival rate from 20 percent to 80 percent since the hospital opened more than 50 years ago. St. Jude is working to drive the overall survival rate for childhood cancer to 90 percent, and we won't stop until no child dies from cancer. St. Jude freely shares the discoveries it makes, and every child saved at St. Jude means doctors and scientists worldwide can use that knowledge to save thousands more children.

Because of generous donors like you, families never receive a bill from St. Jude for treatment, travel, housing or food – because all a family should worry about is helping their child live.

Thank you for supporting St. Jude!

Sincerely,

Kristine A. Paca
